Week 2: October 26

Theme: Noises

Today's books:

Songs

Opening (Closing) Song: Hands Go Up

(tune: "Twinkle, Twinkle, Little Star")

Hands go up and hands go down

I can turn around and round

I can jump upon two shoes

I can listen, so can you.

I can sit I'll show you how,

Storytime is starting now!

Tap Your Sticks

Tap your sticks, tap your sticks,

1, 2, 3! 1, 2, 3!

Can you tap your sticks, can you tap your sticks,

Just like me, just like me!

Tap your sticks, tap your sticks,

Way up high! Way up high!

Now bend down, now bend down,

Tap the ground, tap the ground!

Farm Sounds

The tractor on the farm goes round and round

Round and round, round and round

The tractor on the farm goes round and round

All around the farm

The cow in the barn goes moo, moo, moo

The pig in the pen goes oink, oink, oink

The hens in the coop go cluck, cluck, cluck

The sheep on the hill go baa, baa, baa

The ducks in the pond go quack, quack, quack

Two Little Feet

Two little feet go tap, tap, tap,

Two little hands go clap, clap, clap.

A quick leap up from my chair,

And two little arms reach high in the air.

Two little feet go jump, jump, jump,

Two little fists go thump, thump, thump.

One little body goes round and round,

And one little child sits quietly down.

Action Rhymes and Fingerplays

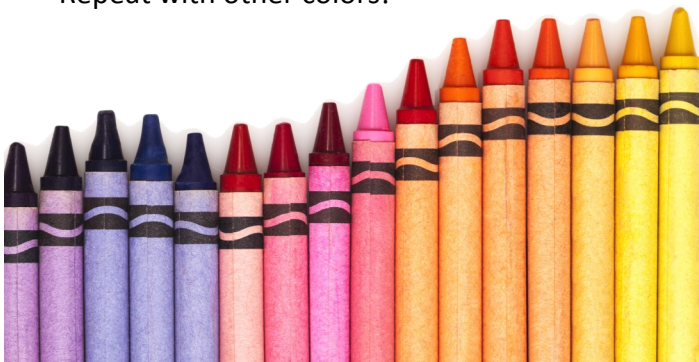

If You're Wearing Red Today

If you're wearing red today, red today, red today,

If you're wearing red today, please stand up!

(or sit down)

Repeat with other colors!

Itsy Bitsy Spider

The itsy bitsy spider went up the water spout.

Down came the rain and washed the spider out.

Out came the sun and dried up all the rain,

And the itsy bitsy spider went up the spout again.

Learning Continues at Home!

Phonological Awareness (hearing the smaller sounds in words)

Did you know that according to studies, by playing with sounds, you are developing phonological awareness and your children will be better ready to sound out words when they learn to read. Singing is a great way to do this!

Continue the Fun...

Become a Sound Spotter!

Take time to focus on the noises around you. Use the phrase, "Who can spot a sound with their ears?" Use your ears rather than your eyes to "spot" sounds. You might hear the heater, doors closing, people talking, your stomach growling... The possibilities are endless! Your part is to talk about the sounds you and your child hear.

Apps for Laps!

Spending screen time together - talking and thinking about what you see and do - adds the most value and meaning for your child. Try one of these apps with your child at Schlow!
