Songs

Opening (Closing) Song: Hands Go Up

(tune: "Twinkle, Twinkle, Little Star")

Hands go up and hands go down
I can turn around and round
I can jump upon two shoes
I can listen, so can you
I can sit, I'll show you how
Storytime is starting now!

Learning Continues at Home!

Letter Knowledge (knowing that letters are different from each other, have names, and represent sounds)

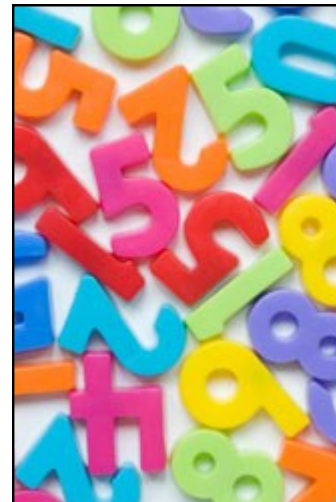

The main idea behind Letter Knowledge is shape recognition, so now is a great time to start pointing out basic shapes to your child. Give them shapes of different sizes and textures to feel and experiment with, and remember to repeat each shape's name a few times.

Letter Hunt

You'll need: Letters (magnetic letters work great), corn meal, small container like a sweater storage box, and an "answer key" with the same alphabet letters written on it.

Put the corn meal in your container and then "hide" all of the letters in the corn meal. Have your child use their hands to dig out the letters and then ask them to match them to the letters on the answer key.

Apps for Laps!

Spending screen time together - talking and thinking about what you see and do - adds the most value and meaning for your child. Try one of these apps with your child at Schlow!
