

# Storytime at Schlow

3s, 4s, and 5s

Week 3: November 8

Theme: Things That Go!

SCHLOW  
CENTRE  
REGION  
LIBRARY

Today's books:

# Songs

## Opening (Closing) Song: Hands Go Up

(tune: "Twinkle, Twinkle, Little Star")

Hands go up and hands go down,  
I can turn around and 'round.  
I can jump upon two shoes,  
I can listen, so can you. (I can clap and so can you)  
I can sit, I'll show you how, (I can wave, I'll show you how)  
Storytime is starting now!

## Have You Ever Seen a Sailboat?

(tune: "Have You Ever Seen a Lassie?")

Have you ever seen a sailboat, a sailboat, a sailboat  
Have you ever seen a sailboat  
Waiving its sail?  
Wave this way and that way  
And that way and this way  
Have you ever seen a sailboat waving its sail?

## Drive, Drive, Drive!

(tune: "Row, Row, Row Your Boat")

Drive, drive, drive your car  
All around the town  
Merrily, merrily, merrily, merrily  
Up the hills and down

Press, press, press the pedal  
Give the engine gas  
Merrily, merrily, merrily, merrily  
Now we're going fast

## I'm an Airplane

(tune: "Clementine")

I'm an airplane, I'm an airplane  
Flying up into the sky  
Flying higher, flying higher  
As I watch the clouds go by  
I'm an airplane, I'm an airplane  
See me flying all around  
Flying lower, flying lower  
'Til I land down on the ground

# Action Rhymes and Fingerplays

## Five Little Rockets

Five little rockets zooming off in space  
The first little rocket said, "Let's have a race!"  
The second little rocket said, "Line up in a row!"  
The third little rocket said, "Ready, set, go!"  
The fourth little rocket said, "Beep, beep, bee!"  
The fifth little rocket said, "You can't catch me!"  
Then ROAR went their engines  
And BLINK went their lights  
And five little rockets zoomed out of sight!

## Wheels on the Bus

The wheels on the bus go round and round,  
Round and round, round and round.  
The wheels on the bus go round and round, all  
through the town.  
...wipers go swish  
...horn goes beep  
...doors go open & shut  
...people go up and down

# Learning Continues at Home!

## This week's early literacy practice: READ!

Shared reading is the single most important activity that you can do to help children get ready to read, even from birth! Remember to keep the interaction around the book a positive one. When children have positive experiences around books and reading they are more likely to stick with learning to read when they get to school, even if it is difficult. Books have different words than the words of conversation so children learn more words when you read books to them. Some board books for babies actually do not have many words, so you would add some to those on the page. In this way you are developing your children's vocabulary. Text by Saroj Ghoting

## Continue the Fun...

Children are natural scientists, and it's never too early to start learning basic science skills like observation and prediction. Start with a basic Float or Sink experiment. Use the tub, sink, or large bowl to fill with water. Gather objects made up of different materials, such as wood, metal, plastic, aluminum foil, apples, oranges, plastic bottles, toy blocks, paper, bathtub toys, plastic forks, rubber balls, soda-bottle caps, pencils, erasers, and sponges. Ask the child to predict if the object will sink or float and discuss results depending on material type. Supplement by reading *Who Sank the Boat* by Pamela Allen.

## Apps for Laps!

Beck and Bo

Park  
Math

Sid's Science  
Fair

## What's Happening at Schlow?

### November Book Club

[reading.schlowlibrary.org](http://reading.schlowlibrary.org)

How many books can you and your child read together in November?  
Each child who meets their goal will earn a prize book  
AND a chance to win a BB-8 or Pigeon stuffie!

Please visit [schlowlibrary.org/children/events](http://schlowlibrary.org/children/events) for more upcoming programs.
