# Songs

## Opening (Closing) Song: Hands Go Up

(tune: "Twinkle, Twinkle, Little Star")

Hands go up and hands go down,  
I can turn around and 'round.  
I can jump upon two shoes,  
I can listen, so can you. (I can clap and so can you)  
I can sit, I'll show you how, (I can wave, I'll show you how)  
Storytime is starting now!

## Give a Shake

(tune: "If You're Happy and You Know It")  
If you're happy and you know it, give a shake!  
If you're happy and you know it, give a shake!  
If you're happy and you know it,  
then your face will surely show it,  
If you're happy and you know it, give a shake!

## The Croaky Pokey

Put your frog hands in  
Take your frog hands out  
Put your frog hands in  
And you shake them all about  
You hop the croaky pokey  
As you chase the fly around  
Right in your froggy mouth!

Webbed feet / Long tongue /  
Froggy self

## Walking, Walking

(tune: "Are You Sleeping?")

Walking, walking  
Walking, walking  
Hop, hop, hop  
Hop, hop, hop  
Running, running, running  
Running, running, running  
Now we stop  
Now we stop

# Action Rhymes and Fingerplays

## Two Little Feet

Two little hands go clap, clap, clap  
Two little feet go tap, tap, tap.  
Two little hands go thump, thump, thump.  
Two little feet go jump, jump, jump,  
One little body turns around,  
And one little child sits quietly down.

## Tickle the Clouds

Tickle the clouds  
And tickle your toes  
Clap your hands  
And tickle your nose  
Reach down low.  
And reach up high  
Storytime's over – Wave goodbye!

# Learning Continues at Home!

## This week's early literacy practice: PLAY!

"Children learn through all of their senses, so exploration of shapes and letter forms via puzzles, play dough, sensory tables, and body movements all help children build their letter knowledge. Sorting games and matching activities directly involve shape recognition and prepare children to recognize small differences in letters."

## Continue the Fun...

### Make a Ribbon Ring!

Keeping it partially folded for easier cutting, cut a plastic tablecloth into strips to make lots of colorful ribbons for very little money. Fold each strip in half, then stick the folded edge through the bracelet, open the fold to make a loop, stick your hand through the loop to grab the other end of the ribbon, pull it through the loop, and pull it tight around a simple plastic bracelet. Add curling ribbon or jingle bells for extra fun, then have a dance party!

## Apps for Laps!
