Songs

Opening Song: Hands Go Up

(tune: "Twinkle, Twinkle, Little Star")

Hands go up and hands go down
I can turn around and round.
I can jump upon two shoes
I can listen, so can you.
I can sit, I'll show you how
Storytime is starting now.

Hats are Blowing

(tune: "Frere Jacques")

Hats are blowing
Hats are blowing
In the air
Everywhere!
Every time the wind blows
Someone's hat, away it goes
Hold on tight
And you'll be all right!

If You're Wearing Red Today

If you're wearing red today
Clap your hands, clap your hands
If you're wearing red today
Clap your hands

Blue - Tap your toes / Pink - Pat your cheeks / Green - Flap your wings / White - Give a hug with all your might / Orange - Tug your ear

If Your Clothes Have Any...

(tune: "If You're Happy and You Know It")

If your clothes have any red, any red
If your clothes have any red, any red
If your clothes have any red
Put your hands up on your head
If your clothes have any red, any red

Blue - Put your finger on your shoe / Green - Wave your hand so you are seen / Pink - Use your eyes to give a wink / White - Give a hug with all your might / Black - Pat your yourself on the back / Purple - Twirl around in a circle

Action Rhymes and Fingerplays

Hat Happy

I wear my hat upon my head
I wear my hat upon my hair
I wear it here, I wear it there
My hat and I go everywhere
I wear it in the rain and snow
I wear it even when it's hot
My hair feels lonely when it's off
My head feels happy when it's not
And when it's time to get to bed
And Mama says, "Take off your hat"
I do exactly as I'm told
And put it on my kitty cat!

Dance Your Fingers

Dance your fingers up
Dance your fingers down
Dance your fingers to the side
Dance them all around
Dance them on your shoulders
Dance them on your head
Dance them on your tummy
And put them all to bed!

Learning Continues at Home!

Vocabulary (knowing the meanings of words including objects, concepts, feelings, actions, and ideas)

Using many different kinds of words with your child will grow their vocabulary. Sharing stories and rhymes is a great way to do that...but just as important is sharing facts about the world we live in! Read books that give factual information, found in your library's nonfiction section. Many are written with a young audience in mind.

“What am I wearing?” Recall Game

Choose someone in your family to go first. Talk about what they are wearing, using as many descriptive words as you can. Then, wrap the family member up in a blanket, covering all of their clothes, and then try to describe, from memory, what they're wearing! Give each family member a turn as the subject.
