Songs

Opening (Closing) Song: Happy Day

(tune: "Twinkle, Twinkle, Little Star")

It's a happy, happy day
We can sing and we can play
Wiggle fingers, wiggle toes
Touch your tummy and your nose
Raise your arms and shout hooray! (goodbye!)
On this happy, happy day

At the Easel

At the easel, at the easel,
I can choose any color I want.
At the easel, at the easel,
I can choose any color I want. [color!]
I paint the house [color!], I paint the dog [color!],
I paint the sky [color!], I paint the grass [color!]
Today I just like [color!]

If You're Wearing Red Today

If you're wearing red today,
red today, red today,
If you're wearing red today, please stand up!
(or sit down) Repeat with other colors!

Wake Up Baby

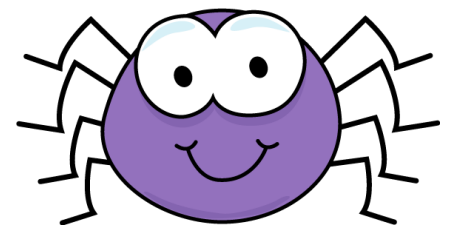

Wake up feet, wake up feet
Wake up feet and wiggle, wiggle, wiggle
Wake up feet, wake up feet
Wake up and wiggle in the morning!

Action Rhymes and Fingerplays

Popcorn Bounce Rhyme

I'm a piece of popcorn, put me in the pot
(gently bounce child)
Shake me, shake me, (gently move child on your lap)
and watch me POP! (lift child into the air!)

Itsy Bitsy Spider

The itsy bitsy spider went up the water spout,
Down came the rain and washed the spider out!
Out came the sun and dried up all the rain,
And the itsy bitsy spider went up the spout again!

Learning Continues at Home!

Letter Knowledge (knowing that letters are different from each other, have names, and represent sounds)

The main idea behind Letter Knowledge is shape recognition, so now is a great time to start pointing out basic shapes to your child. Give them shapes of different sizes and textures to feel and experiment with, and remember to repeat each shape's name a few times.

Continue the Fun...

Letter Hunt

You'll need: Letters (magnetic letters work great), corn meal, small container like a sweater storage box, and an "answer key" with the same alphabet letters written on it.

Put the corn meal in your container and then "hide" all of the letters in the corn meal. Have your child use their hands to dig out the letters and then ask them to match them to the letters on the answer key.

Apps for Laps!

Spending screen time together - talking and thinking about what you see and do - adds the most value and meaning for your child. Try one of these apps with your child at Schlow!
