If You Want to Hear a Story

If you want to hear a story, clap your hands

If you want to hear a story, clap your hands

If you want to hear a story, if you want to hear a story

If you want to hear a story, clap your hands!

... stomp your feet

... say hooray

... sit so still

The Winter Clothes Song

(to the tune of "Here We Go 'Round the Mulberry Bush")

First you put your scarf on, your scarf on, your scarf on

First you put your scarf on

All snug and warm

Next you put your snow boots on, your snow boots on, your snow boots on

Next you put your snow boots on

All snug and warm

Next you put your hat on, your hat on, your hat on

Next you put your hat on

All snug and warm

Last you put your mittens on, your mittens on, your mittens on

Last you put your mittens on

All snug and warm!

Snowkey Pokey

You put your right mitten in

You take your right mitten out

You put your right mitten in

And you shake it all about

You do the snowkey pokey

And you turn yourself around

That's what it's all about

(Left mitten, boots, hat, snowself)

(tune: "London Bridge is Falling Down")

Shake your shaker in the air

We shake our shaker eggs right to the top
